These fees are inclusive of all groups, including supervision in stages 2-5. They include costs for summer and winter residential events (*those who received an earlier version of this schedule may have seen a lower figure which has since had to be revised). These costs are usually based on a 2 night weekend residential in January and 4 nights in July. Re-Vision strives to keep the costs within these limits, but if it proves impossible, it may be necessary to raise this residential element. The fees do not include the cost of your individual psychotherapy.

A discount of 2.5% can be made on the basic training fees (not the residential element) for **payment in full by the date your deposit would be due**. Please note that the discount for payment in full is not applicable if you are in receipt of a bursary.

Payments by instalment can be arranged.

Unfortunately the training is not eligible for student or adult learner loans.

A limited number of bursaries are available to candidates who fulfill the criteria. Please ask for details. Bursaries are awarded for training fees only and not for the residential costs.

Please note that there will be a slight increase in fees on an annual basis.
